STYLE GUIDE

ISSUE 9: BRIGHT BRILLIANCE | FAVOUR BOX TEMPLATE

Print as many copies as you need onto heavy-weight paper stock—reducing or enlarging to suit the size of your favour. Using the solid trim marks as a guide, cut the box to shape with a sharp blade. Use the dashed lines as a guide for scoring and folding. Use double-sided tape to secure the sides. Fill with your favour and finish with pretty, complementary string or ribbon and a swing tag.
