

real wedding submission

Each issue of Wedding Style Guide features a number of real weddings highlighting innovation and attention to detail. We love the little things that come together to complete the picture – stunning stationery, interesting venues, unique tablesettings, beautiful lighting, sublime flowers and stylish photography.

Every published wedding will receive a special little something from us to say thank you, so please, send in your wedding.

HOW TO SUBMIT YOUR WEDDING

You can mail colour photocopies or colour photographs together with this completed form. Alternatively, you can email a maximum of 15 low resolution digital images to submissions@styleguide.com.au, together with this scanned and completed form.
