

ISSUE 13: 5,4,3,2,1... CELEBRATE | INVITATION TEMPLATE

Our NYE invitation, based on a calendar page, means no one will be in doubt of the date. Available in 9 different colours, there's sure to be one to suit every theme. Print as many copies as you need onto heavy weight paper stock. Using a sharp cutting blade, trim the invitations to size and match with a DL sized envelope. If hand delivering your invitations, team with a bundle of sparklers, tied with silver thread. Your guests will be ready to light up the new year. Just remember, fireworks and explosives of any kind cannot be mailed through the postal service.
